

MEDIA RELEASE

Mediland enters into contract with InterContinental Hotels Group (IHG) as supplier of Mediland-branded hand sanitiser

The Directors of **Mediland Pharm Limited** (“**Mediland**” or the “**Company**”) are pleased to provide an update to its shareholders.

After securing product distribution for Mediland’s own branded products with five Sydney pharmacies as previously announced, Mediland has continued to diversify its revenue stream, with supply of Mediland-branded hand sanitiser, to a leading hotel chain, InterContinental Hotels Group (IHG) and their Australian hotels.

Mediland has entered an arrangement with IHG to supply Mediland-branded hand sanitiser for their onsite use. This is yet another confident move for the Company as it continues to grow and explore revenue opportunities to expand merchandising of its own branded products globally and locally.

The Chairman of Mediland, Dr Peter French, commented: *“The Company is pleased to report that management’s strategies to further diversify our revenues to offset the challenges from the COVID-19 pandemic continue to be successful”*.

The Managing Director of Mediland, Mr Yesh Mudaliar, commented: *“Times have never been better than now to promote our health and well-being products locally. Health is in the forefront and COVID-19 has the Australian business sector thinking of doing business differently and our Company is no exception. Adapting quickly and responding to the market is a driving force as we continue to sell our products locally and globally”*.
